Notice to Prospective Degree Program Students  
This institution is provisionally approved by the Bureau of Private Postsecondary Education to offer degree programs. To continue to offer this degree program, this institution must meet the following requirements:  
- Become institutionally accredited by an accrediting agency recognized by the United States Department of Education, with the scope of the accreditation covering at least one degree program.  
- Achieve accreditation candidacy or pre-accreditation, as defined in regulations, by (date two years from date of provisional approval), and full accreditation by (date five years from date of provisional approval).  
- Stop all enrollment in its degree program, and  
- Provide a teach-out to finish the education program or provide a refund.  
An institution that fails to comply with accreditation requirements by the required dates shall have its approval to offer degree programs automatically suspended.
