STUDENT'S RIGHT TO CANCEL

Institution shall refund 100 percent of the amount paid for institutional charges, less an Application Fee, if notice of cancellation is made through attendance at the first class session, or the seventh class day after enrollment, whichever is later.

Cancellation shall occur when you give written notice of cancellation at the address of the school shown on the top of the first page of the Enrollment Agreement. You can do this by mail, or hand delivery. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid.

The institution shall advise each student that a notice of cancellation shall be in writing, and that a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that you no longer wish to be bound by the Enrollment Agreement. You will be given a Notice of Cancellation Form to use at the first day of class, but you can use any written notice that you wish.

The institution shall have a refund policy for the return of unearned institutional charges if the student cancels an Enrollment Agreement or withdraws during a period of attendance. The refund policy for students who have completed 60 percent or less of the period of attendance shall be a pro rata refund.

Withdrawal from Course

A student has the right to withdraw from a course of instruction at any time. If the student withdraws from the course of instruction after the period allowed for cancellation of the Agreement, the student has the right to obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The school will remit a refund less an Application Fee, if applicable, within thirty (30) days following your withdrawal. You are obligated to pay only for educational services rendered.

The refund shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid.

Example: If the student completes only 20 hours of a 4-quarter unit (40 hours) course and paid \$1,000.00 tuition, the student would receive a refund of \$500.00.
